As one of the UoC Centers of Excellence, C-SEB provides funding for outstanding individuals and excellent collaborative research projects in the field of behavioral economics and social cognition.

## INFORMATION ON C-SEB BRIDGING GRANTS

To initiate new research projects and further motivate scientific exchange between disciplines, C-SEB invites applications for the following funding measures:

Bridging Grants of up to 30.000 € are available for interdisciplinary research initiatives that have a strong focus on connecting approaches and findings from different disciplines covered by C-SEB.

### Eligibility and requirements

Bridging Grants are open to all C-SEB principal investigators that are employed at the University of Cologne. Projects will be eligible for application only when at least two C-SEB principal investigators from different disciplines collaborate. The application deadlines are April 30th and October 31st.

Please submit the application form, which is available on our webpage, along with a research proposal and the CV's of all involved researchers in one single pdf document to [c-seb@uni-koeln.de](mailto:c-seb@uni-koeln.de).
