The Center for Social and Economic Behavior (C-SEB) at the University of Cologne (UoC) brings together researchers from economics, management science, and psychology to investigate the mechanisms that determine social and economic behavior. As one of the UoC Centers of Excellence, C-SEB aims to increase the international visibility of the UoC and the networking opportunities for C-SEB researchers.

INFORMATION ON C-SEB NETWORKING OPPORTUNITIES

To motivate scientific exchange and to initiate international collaborations among researchers, C-SEB invites applications for the following funding measures:

C-SEB Visitor Program

The C-SEB Visitor Program offers funding of normally up to 2.500 € for junior and senior researchers at C-SEB to go abroad for short-term visits at other labs and research units.

C-SEB International Fellowship Program

The C-SEB International Fellowship Program offers funding of normally up to 5.000 € for researchers from other research institutions to visit C-SEB for short-term or long-term (up to 6 months) research stays.

Eligibility and requirements

The C-SEB Visitor Program is open to all members of C-SEB that are employed at or receive a stipend from the UoC. The C-SEB International Fellowship Program is open to junior and senior researchers from international institutions that are strongly connected

to C-SEB or work in a field that is related to the overall topic of C-SEB. Any C-SEB member can act as a host and propose a candidate for the program.

Application and selection procedure

The decisive criterion for the granting of funds is the anticipated outcome and the scientific contribution of the research stay to C-SEB. The C-SEB Executive Board meets twice a year to select among the received proposals. The application deadlines are April 30th and October 31st.

To apply for the C-SEB Visitor Program or to propose a candidate for the C-SEB International Fellowship Program please submit the application form, which is available on our webpage, along with a statement of purpose for the research stay, a confirmation letter from the guest or host, and the CV's of all involved researchers in one single pdf document to c-seb@uni-koeln.de. Application materials shall be limited to a maximum of 2 pages for each CV, 2 pages for each statement of purpose, and 1 page for the confirmation letter (Arial 11pt./ 1.15).

5. ADDITIONAL INFORMATION (please use this section for any additional information which seems important to you in connection with this application)

I certify that the information provided in this application is accurate to the best of my knowledge. Furthermore, I agree to inform C-SEB immediately of any changes and amendments. I have understood that applications that are incomplete, incorrectly filled (e.g. inappropriate formatting, unreadable text, text that exceeds the fields), or handed in after the deadline cannot be taken into consideration for the respective funding period. A complete application consists of the application form, a statement of purpose, a confirmation letter from the guest or host, and the CV's of all involved researchers. Please make sure that the statement of purpose and the confirmation letter are written in a way that it is easy to understand for scientists from both disciplines, economics and psychology. Both documents must include detailed information on why the respective stay is necessary and beneficial for C-SEB and how cooperation will be facilitated. Application materials shall be limited to a maximum of 2 pages for each CV, 2 pages for each statement of purpose, and 1 page for the confirmation letter (Arial 11pt./ 1.15). Each person is allowed to submit one application in this funding line as main applicant per round. I agree that this application and accompanying documents shall remain with C-SEB.

I have read and understood the **DFG Guidelines for Excellence Centers and Research Centers and the DFG's rules of good scientific practice**, the **UoC Guidelines for Excellence Centers**, and the **UoC Hospitality Guidelines** and will comply with these rules. I am aware that it is my responsibility to ensure that collaborating researchers also adhere to these guidelines.

I understand that disbursed funds may only be used for the purpose for which they were granted and must be paid back in case they were not spent at the end of the funding period. Awarded money must be spent within one year after notification. I agree to hand in a final report of 2-3 pages along with all receipts within one month after the funding period has ended. In this report I will provide information on the scientific progress achieved and on how the funds were spent. I am aware that non-compliance with any of these rules may lead to a reclaim of funds, irrespective of other potential implications.
